

## BEACH REVUE 2008

# “Be True to Your School”

**Welcome everyone to the 40th annual Beach Revue!** The theme of this year’s show will be...SCHOOL...as in any thing you might learn at school, do at school (hmmm) or dream of at school, including recess!

**We’d particularly like to welcome all the *new Beach families*** to the Revue tradition of good music, lively dance and a ton of fun. No musical ability required! Feel free to contact me or any old timers for a run down of what the Revue really is, how much time is involved, what a blast it is, etc. Videos and DVD’s of past performances are available to check out as well.

**In an effort to reduce waste**, we are hoping to conduct sign-ups electronically, so please fill out the attached sign up sheet and send it back to me at the e-mail address given on the bottom of the form. You may also print it and drop it off in the Revue box in the office by Sept. 28<sup>th</sup>.

**New this year:** all participating families are assured 2 tickets (total) which must be purchased in mid-February or they will be released to the general ticket pool. Exact details will be sent to each family. Additional tickets and DVD’s will be on sale on a first come, first served basis in late February.

Please feel free to contact me with any Revue issues: Kim Rhody, 652-0414
