

# Tech Tip: PUSD Webmail

Whether at home or on the road, you can check your school email through the web. This tech tip focuses on some of the features of using PUSD's webmail.

## Access through the web!

Go to [mail.piedmont.k12.ca.us](mailto:mail.piedmont.k12.ca.us) and choose "english"

type in your first initial and last name as one word (no spaces), your password

then click Login

## Changing password

You can change your password any time you want, just click on "security" from the top navigation bar, and type in your new password. Note this changes the password for all your email, so if you use Outlook at school to read your mail, you will have to change the password there to have it continue to check your mail

## Logout of Webmail!

The email server like sit if you logout by clicking on the Exit button. Try to remember that so the email server stays happy.
