

Creating a Teacher Wishlist

Craigslist.org is a community bulletin board which started in San Francisco. People use Craigslist to find jobs, rentals, sell things, and get advice among other things. Craigslist is sponsoring a pilot “teacher wishlist” program too which allows anyone to purchase products for classrooms. Craigslist teamed up with Cole Hardware which offers the products at a reduced rate. Purchases are tax-deductible and get mailed to the school. Follow the directions below to get started on your own wishlist (or team up with a grade level partner?)!

1. Go to craigslist.org (or craigslist.com works too!)

2. On the left menu click on “teacher wishlist”

3. Choose “create a wishlist” from the text or left menu to start a new list.

- [Tell friends & potential donors](#) - Here's our press release and an example of what someone sent out to their friends.
