California Department of Education School Accountability Report Card Reported Using Data from the 2013-14 School Year

Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Safety Plan - Most Recent Year

The safety of students and staff is a primary concern of Wildwood school. To ensure student safety, supervision is provided on campus at all times. Students are supervised before school by the Piedmont Parks and Recreation staff through a Schoolmates program. Teachers and para-educators supervise students during recesses. At lunch, para-educators and a campus supervisor fulfill the roles of noon supervisors. All visitors to the campus must check in at the office. The Comprehensive School Safety Plan is reviewed and approved each fall by the School Site Council; revisions are shared immediately with all members of the staff. Key elements of the Safety Plan include emergency evacuation procedures, District sexual harassment policies, and codes of student behavior. The school is in compliance with all the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a regular basis throughout the school year and complete evacuation drills are held every two years.
