

# Volunteer Mental Health Internship Position 2012-13 Academic Year

## Piedmont Unified School District's Wellness Center

Position open to pre- or post-doctoral students in clinical, counseling, or school psychology; students in MFT or LCSW programs; MFT or LCSW interns. Clinical supervision provided in accordance with BBS and BOP requirements by licensed psychologist.

Interns will be integral in staffing the district's Wellness Center, which serves middle school and high school students. Intern activities will include individual and group counseling using brief and long-term models, teacher and parent consultation, student advocacy, crisis intervention, and implementation of health education programs.

Interns are expected to work 2 to 5 days per week from 8 am to 3 pm and attend one staff meeting, one group supervision, and at least one individual supervision meeting per week.

Start date: August 22, 2012

End date: June 15, 2013

Interns may elect to continue their placement for multiple school years.

Applicants should submit the following materials by March 5, 2012:

1. Cover letter
2. Resume
3. Two letters of recommendation (one academic, one professional)
4. Names and phone numbers of two references (one academic, one professional)

Please submit materials to:
