**During club time students may leave the classroom to film or take photographs. During this time outside of the classroom, students need to remember that they have a responsibility to stay focused on their filming or photographing, be aware of their surroundings, treat the equipment with care, and work cooperatively with other club members.**

**Please sign below to indicate that both parents and students have discussed these responsibilities.**

**Due to the costs associated with Film Club and Photography Club, we would like to suggest a \$10 donation from each student. Although we depend on your donations to maintain our current level of activities and the materials we use, donations are voluntary and not required for participation in the clubs.**

**If you are writing a check, please make your check out to "Piedmont Middle School."**

**Thank you!
