

**PIEDMONT UNIFIED SCHOOL DISTRICT
Piedmont, California 94611**

RESOLUTION 10-2012-13

**MODIFICATION AND AMENDMENT TO QUALIFIED SPECIAL TAX AND
ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER**

WHEREAS, the Board of Education (the "Board") believes that a qualified special tax (also referred to herein as the "School Support Tax") is necessary to maintain quality education for the students of Piedmont Unified School District (the "District"); and

WHEREAS, Section 4 of Article XIII A and Section 2 of Article XIII C of the California Constitution and Sections 50075, 50076, 50077, 50079 and 53722 *et seq.* of the California Government Code authorize a school district, upon approval of two-thirds of the electorate voting on the measure, to levy a qualified special tax for specified purposes following notice and a public hearing; and

WHEREAS, the residents of the Piedmont Unified School District have supported District parcel taxes for twenty seven (27) years, with the knowledge that this support has proved crucial in maintaining the District's excellent programs and staff, and as a crucial and long-term safeguard against the uncertainties of State funding; and

WHEREAS, the District wishes to guarantee a stable and long-term source of base revenue through an ongoing school support tax through June 30, 2021, for the next eight years; and

WHEREAS, the proposed School Support Tax will replace the taxes currently authorized by Measure "B", while keeping the overall amount of the tax collected approximately the same as authorized under Measure "B"; and

WHEREAS, the Board of Education will continue accountability and transparency in School Support Tax expenditures at an annual and noticed public hearing ("Annual Hearing"); and

WHEREAS, at this Annual Hearing, the Board of Education will also carefully review the programmatic needs of the District for the following fiscal year, and set the amount of the tax levy only after engaging in a process of community consultation, which will include two public hearings, and a review of the report and recommendations by a subcommittee of the long-standing District Budget Advisory Committee. The subcommittee is open to all community members and shall be comprised of tax-paying residents appointed annually by the Board of Education President and Vice-President; and

WHEREAS, previous State and Federal funding have been inadequate and uncertain to meet the ongoing objectives of maintaining high academic achievement for all students of the District and the Board has no assurance that future State and Federal funding will permit the District to meet these objectives; and

WHEREAS, in response to these reductions and uncertainties, the Board has in recent years endeavored to reduce District costs and expenses in a manner that serves to minimize the impact on important academic programs for students; and

WHEREAS, an adequately-funded and well-developed public education program provides numerous benefits and advantages to all of the residents of the community; and

WHEREAS, the Board of Education has conducted a noticed public hearing, as required by law, on the question of whether or not to request the District's voters to authorize the qualified special tax to continue the academic programs and further the purposes specified below; and

WHEREAS, on November 28, 2012, the Board of Education approved the submission to District voters of a proposed parcel tax now known as Measure "A" which contained a tax schedule that set a variable tax rate based on the use and size of the property; and

WHEREAS, the District has been apprised of a recent court decision overturning the use of a school parcel tax employing variable rates; and

WHEREAS, the District wishes its parcel tax to fully comply with all applicable statutory provisions and therefore wishes to implement immediately changes to its parcel tax to conform to the new court decision; and

WHEREAS, the Board of Education wishes now to convert its variable rate parcel tax to a flat tax applicable to all parcels, regardless of use or size and to make this tax effective on July 1, 2013, rather than July 1, 2014, as stated in its earlier Resolution; and

WHEREAS, Measure "A", if passed, shall supersede and replace Measure "B" and the tax schedule established by Measure "B", now otherwise applicable through June 30, 2014; and

WHEREAS, pursuant to Elections Code section 9605, the Board wishes to modify its previous Resolution, Full Text of Measure and Formal Notice, to reflect the changes mentioned above.

NOW THEREFORE, THE BOARD OF EDUCATION OF THE PIEDMONT UNIFIED SCHOOL DISTRICT HEREBY RESOLVES, DETERMINES AND ORDERS AS FOLLOWS:

Section 1. The foregoing recitals are true and correct and are incorporated herein by this reference.

Section 3. The Resolution and Specifications approved by the Board on November 28, 2012, is hereby amended and modified to reflect this Resolution, which shall hereinafter be referred to as the "Revised Resolution." Section 6. The date of the election shall be March 5, 2013.

Section 7. The purpose of the election shall be for the voters in the District to vote on a ballot measure, a full copy of which is attached hereto as **Exhibit A** and incorporated herein by this reference ("Measure"). The special tax and penalty shall bear interest at the same rate as the rate for unpaid *ad valorem* property taxes until paid.

Section 18. The members of the Board, the Superintendent of the District, and officers of the District are hereby authorized and directed, individually and collectively, to do any and all things and to execute, deliver, and perform any and all agreements and documents that they deem necessary or advisable in order to effectuate the purposes of this Resolution including, without limitation, preparing and submitting for inclusion in the voter information pamphlet an argument in favor of passage of the Measure. Section 22. The Board hereby declares, and the voters by approving this Measure concur, that every section and part of this Measure has independent value, and the Board and the voters would have adopted each provision herein regardless of every other provision herein. FULL TEXT OF SPECIAL TAX MEASURE For PIEDMONT UNIFIED SCHOOL DISTRICT

PIEDMONT SCHOOL SUPPORT TAX

This Measure may be known and referred to as the "School Support Tax", or as Measure "A".

To prevent local school funding from expiring and to maintain the quality of Piedmont's schools, to attract, train and retain qualified teachers, to protect programs in math, science and technology, to continue funding for music, visual and performing arts programs, and to keep textbooks and instructional technology up-to-date, shall the Piedmont Unified School District continue to levy a special tax as specified in the voter pamphlet, with all funds staying in Piedmont to benefit our schools?

PURPOSE

For over a generation, the residents of the District have approved parcel taxes to support District programs for the students in Piedmont schools. Parcel taxes have allowed the District to establish and maintain a full range of educational offerings for students, including visual arts, performing arts and music, as well as comprehensive programs in math, science and technology. The depth and range of these programs have supported student achievement and preparation for success after graduation. Student achievement scores rank among the best in the State and students are admitted to, and successful at, excellent colleges and universities. Parcel taxes have proven crucial to the District's financial health, currently providing over a third of total District revenues.

The purpose of this Measure is to continue the tradition of support in a measure with an eight (8) year term, which will provide the District and its taxpayers both stability and predictability in base parcel tax support. The proposed parcel tax is called "The School Support Tax." It will continue to provide the local funding approved by the voters of the District on June 2, 2009 as Measure "B" that will otherwise expire as of July 1, 2014. This Measure will prevent existing school funding from expiring by continuing to provide local revenue that cannot be taken by the State and will maintain Piedmont's excellent quality of public education by attracting, training and retaining qualified teachers, maintaining small class sizes, and protecting instructional programs and services, including art and music, world language, advanced placement, school libraries, classroom technology and student counseling.

The Board of Education will fund all of the programs and purposes listed above unless it

including art and music, world language, advanced placement, school libraries, classroom technology and student counseling.

The Board of Education will fund all of the programs and purposes listed above unless it determines in any given year that changes in student population, fiscal constraints, or other changes in State or Federal funding make doing so infeasible or inadvisable. In any event, the Board of Education will not fund any program, purpose, or reduction, other than those listed above, from the proceeds of the special taxes.

The School Support Tax would be in effect, beginning July 1, 2013, at the rate shown below on each assessor's parcel located wholly or partially within the boundaries of the Piedmont Unified School District, and end on June 30, 2021.

ACCOUNTABILITY PROCEDURES

(a) Annual Tax Hearing: The Board of Education will administer this continuing tax with the financial rectitude and community participation it has demonstrated in the past. Each year, as part of the annual budget adoption process, the Board will first determine the total amount of expenditures necessary to provide a superior educational program, including the specialized services and programs detailed above, and deduct therefrom the projected revenue to be gathered from sources other than this special tax.

(b) Determination of Levy: The difference, if any, between the cost of the programs and funding from other sources shall be the maximum amount of funds to be derived from the tax authorized by this Measure for such year. If the necessary funds are such that the maximum rates set forth below are not needed, then the Board of Education shall reduce these rates proportionately so that only the necessary amount of funds are raised.

(c) Notice of Tax Hearing: Prior to the levying of the special tax in any given year, the Board of Education will conduct a public hearing on the matter. Notice of the time, date, and place of hearing shall be published pursuant to Government Code section 6061 at least once in a newspaper of general circulation in the District and at least fifteen (15) days prior to the hearing. Following the public hearing each year, the Board of Education shall adopt a resolution establishing the amount of tax to be raised for that year and the rate per parcel, which shall not exceed the amounts enumerated below. Any tax levied shall become a lien upon the properties against which taxes are assessed and collectible as herein provided.

(d) Statutory Requirements: In accordance with the requirements of California Government Code sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the special taxes levied in accordance with this Measure: (a) the specific purposes of the special tax shall be those purposes identified above; (b) the proceeds of the special tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the special taxes must be deposited; and (d) an annual written report shall be made to the Board of Education of the District showing (i) the amount of funds collected and expended from the proceeds of the special taxes and (ii) the status of any projects or programs

required or authorized to be funded from the proceeds of the special taxes, as identified above, and (iii) recommendation to the Board of Education as to the levy amount for the subsequent year's tax.

(e) School Support Tax Advisory Subcommittee: An annual written report shall be prepared and submitted to the Board of Education by the School Support Tax Advisory Subcommittee ("Subcommittee") of the Budget Advisory Committee ("BAC"). All residents of the Piedmont Unified School District are eligible to apply for membership on the BAC on an annual basis. Members of the Subcommittee must be homeowners in the Piedmont Unified School District community and subject to the School Support Tax and not current employees of PUSD. Each year there shall be no fewer than three (3) and no more than five (5) volunteers identified by November of each year to serve on the Subcommittee. It is the responsibility of the District Superintendent or designee to verify eligibility of the volunteers. The President and Vice President of the Board of Education shall approve all nominees to the Subcommittee. The Subcommittee shall work directly with the Chief Business Officer of the District to review School Support Tax uses and report to the Board of Education at the first public hearing held each year to determine the subsequent year's levy. Members of the Subcommittee commit to regularly attend meetings of the BAC. The Board will adopt the specific charge of the School Support Tax Advisory Subcommittee no later than May 5, 2013, after two public hearings at Regular School Board meetings. Any change to the charge of the Subcommittee will require public hearings at Regular Board meetings and must be approved by the Board.

ADMINISTRATION OF TAX

(a) Manner of Tax: Subject to two-thirds approval of the voters, the qualified special tax shall become effective as of July 1, 2013, and be collected by the Alameda County Tax Collector at the same time, in the same manner, and subject to the same penalties as general *ad valorem* property taxes collected by said tax collector. The tax and penalty shall bear interest at the same rate as the rate for unpaid *ad valorem* property taxes until paid.

(b) Tax Issues: With respect to all general property tax matters within its jurisdiction, the Alameda County Tax Assessor or other appropriate County tax official shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the special tax, the decisions of the District shall be final and binding. The procedures described herein, and any additional procedures established by the Board of Education, shall be the exclusive claims procedure for claimants seeking an exemption, refund, reduction, or re-computation of the special tax. The District, in coordination with the County, shall determine whether it will be the District or the County who shall determine the issue.

(c) Supplemental Regulations: The Board of Education may adopt such additional or supplemental procedures as it deems necessary or convenient for the administration of the special tax.

(d) Parcel Tax Exemptions: Homeowners who are residing on their property and qualify for Supplemental Security Income (SSI) may be exempt. This could apply to adults who are blind or otherwise disabled, with limited income and resources, as well as to people 65 years of age and older without disabilities who meet the income limits prescribed by SSI. Individuals seeking such exemption must submit an application to the District, including proof that the individual has been determined to be eligible for SSI by the Social Security Administration, on or before July 1 of each tax year. The District shall provide a list to the Tax Collector on an annual basis, on or before a date established by the Tax Collector of each year, of the parcels which the District has approved for the SSI Exemption, as described herein.

RATES

The special tax shall be assessed at the rate of \$2,406, per parcel.

For parcels divided by Tax Code Area lines, the payment for the portion of the parcel within the Piedmont Unified School District shall be the same as the above.

ADJUSTMENT OF RATE

The Board will determine, on an annual basis, the amount of the levy for the following fiscal year, up to the maximum allowable rate shown above. The Board may also increase the maximum allowable amount by up to 2% from the previous year. If, in any given year, the Board elects to levy an amount less than the maximum allowable rate, it may, in subsequent years, levy the maximum allowable rate.

PROTECTION OF FUNDING

Current law forbids any decrease in State or Federal funding to the District because of the District's adoption of a parcel tax. However, if any such funds are reduced because of the adoption of this parcel tax, then the amount of the special taxes will be reduced annually as necessary in order to restore such State or Federal funding.
