III. School Climate

School Safety Plan

The safety of students and staff is a primary concern of Wildwood school. To ensure student safety, supervision is provided on campus at all times. Students are supervised before school by the Piedmont Parks and Recreation staff through a Schoolmates program. Teachers and para-educators supervise students during recesses. At lunch, para-educators and a campus supervisor fulfill the roles of noon supervisors. All visitors to the campus must check in at the office.

*The **Comprehensive School Safety Plan** is reviewed and approved each fall by the School Site Council; revisions are shared immediately with all members of the staff. Key elements of the Safety Plan include emergency evacuation procedures, District sexual harassment policies, and codes of student behavior. The school is in compliance with all the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a regular basis throughout the school year and complete evacuation drills are held every two years.*

School Discipline Practices

Students at Wildwood School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school's discipline philosophy promotes a safe and warm, friendly classroom environment, and demonstrates that good discipline is a solid foundation on which to build an effective school. Parents and students are informed of behavior guidelines at the beginning of each school year through classroom orientation, school assemblies, and behavior statements signed by individual students.

The District annually provides a Student Conduct Code to each of its sites which is supplemented by a set of behavior standards. Wildwood School promotes the lifelong guidelines of Trustworthiness, Active Listening, No Put-downs, Personal Best, and Truthfulness. Our guidelines aim to provide students with a meaningful, productive and enjoyable school experience. Appropriate behavior is encouraged through praise and motivational incentives, as well as assertive discipline and conflict resolution tools, to further develop personal growth.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. These ranks are published when the Base API is released each March. The state-wide API rank ranges from 1 to 10. A state-wide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools."

XI. Instructional Planning and Scheduling

School Instruction and Leadership

Leadership at Wildwood School is a responsibility shared between District administration, the Principal, instructional staff, students and parents. For the past 12 years, primary leadership duties have been assumed by Principal Carol Cramer. Prior to her tenure at the school, Ms. Cramer was a classroom teacher for fifteen years.

All staff members are encouraged to take on leadership roles at the school. The School Site Council, which consists of staff and parents, meets regularly to address programs and components that make up the school, discuss the effectiveness and appropriateness of the various programs and components relative to the goals of the school, and act as a communication liaison between the community and the school.

Professional Development

Staff members build teaching skills and concepts throughout the year by participating in conferences and workshops. For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) facilitator and/or the Peer assistance and Review (PAR) program.
