

PIEDMONT UNIFIED SCHOOL DISTRICT

Board Policy

BP 1312.3

Community Relations

Uniform Complaint Procedures

The Board of Education recognizes that the District is responsible for ensuring that it complies with applicable state and federal laws and regulations governing educational programs. The Board encourages the early resolution of complaints whenever possible. To resolve complaints which may require a more formal process, the Board adopts the uniform system of complaint process specified in 5 CCR 4600-4670 and the accompanying administrative regulation.

The district shall investigate complaints alleging failure to comply with applicable state and federal laws and regulations that are subject to the Uniform Complaint Procedure (UCP). A UCP complaint is a written and signed statement by a complainant alleging a violation of federal or state laws or regulations.

The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.

The Superintendent or designee shall meet the notification and posting requirements of 5 CCR 4622 and 4684, including the annual dissemination to students, employees, parents/guardians, district/school councils, advisory committees and other interested parties, of District complaint procedures and information about available appeals, civil law remedies and conditions under which a complaint may be taken directly to the California Department of Education. The Superintendent or designee shall ensure that complainants understand that they may pursue other remedies, including actions before civil courts or other public agencies.

UCP Complaints

Upon receipt of a written complaint from an individual, public agency, or organization, UCPs shall be initiated. UCPs are a very specialized form of complaint for violation of certain federal and state laws and regulations used specifically to investigate and resolve the following:

1. Any complaint to identify and resolve any deficiencies related to instructional materials, emergency or urgent facilities conditions that pose a threat to the health and safety of students or staff, and teacher vacancy or misassignment.

2. Any complaint alleging the occurrence of unlawful discrimination. This, however, shall not apply to employer/employee relations such as hiring and evaluations of staff, assignments of classrooms or duties or other issues within the purview of the Public Employees Relations Board or a Memorandum of Understanding or other collective bargaining agreement; the provision of core curricula subjects; student classroom assignments; student discipline; student advancement retention or grades; graduation requirements; homework policies and practices; selection of instructional materials; or the use of general education funds. The district will review and address any report or complaint of unlawful discrimination involving a student, employee or third party against another student, employee or third party. Specifically:
 - a. Any sexual harassment or sexual violence report or complaint involving a student complainant or a student respondent shall be addressed through BP 5145.7 and the Uniform Complaint Procedures. Any other report or complaint of unlawful discrimination involving a student complainant or a student respondent shall be addressed through BP/AR 5145.3 and the Uniform Complaint Procedures.
 - b. Any unlawful discrimination report or complaint, including sexual harassment or sexual violence complaints, between employees or between employees and third parties, but not involving student complainants or student respondents, shall be addressed through BP/AR 4119.11/4219.11/4319.11 and AR 4031.
 - c. Any unlawful discrimination report or complaint, including sexual harassment or sexual violence complaints, between third parties which took place in the educational setting shall be referred to the District Compliance Officer to determine how to appropriately address the complaint.

A “report” or “complaint” is defined as any oral or written communication to a school district employee or administrator which alleges behavior or misconduct that may constitute unlawful discrimination. A report or complaint may include an oral report, an email, a text message or other message conveyed to a school district employee or administrator. The report or complaint does not have to be on a particular form or use specific words to identify the law which may have been violated.

A “third party” is defined as someone who is connected to the school or the district for educational, business or extra-curricular purposes. For example, a third party may include a vendor; volunteer; coach; or other person who is on school or district grounds during the hours of operation or who is present in the educational setting.

“Educational setting” includes all educational programs and activities of the school or district, including all the academic, educational, extracurricular, athletic, and other programs and activities of the school, whether those programs or activities take place

in a school's facilities, on a school bus, or at a class or training program sponsored by the school at another location.

12. Any other complaint as specified in a district policy

Alternative Dispute Resolution

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complainant that is agreeable to all parties. One type of ADR is mediation, which will be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual violence, sexual harassment, or where there is reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal regulations.

Retaliation and Confidentiality

The Board prohibits any retaliatory behavior or action against any person who reports, testifies about, files a complaint, or otherwise participates in a district complaint, investigation, or grievance process under the Uniform Complaint Procedures. Participation in the complaint process shall not in any way affect the status, grades, or work assignments of the complainant. An individual who believes he or she has been subjected to retaliation defined herein may also file a complaint under the Uniform Complaint Procedures.

Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the facts. This includes keeping the identity of the complainant confidential except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis.

The Board acknowledges and respects student and employee rights to privacy. In investigating complaints, the confidentiality of the parties involved and facts shall be protected, as required by law. As appropriate for any complaint alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, the district shall keep confidential the identity of all parties except when the Principal/designee or the District Compliance Officer has a duty to share the parties' identifying information as necessary to gather a response to the complaint, in order to take subsequent corrective action if misconduct is found to have occurred, and/or to conduct ongoing monitoring. When a complainant requests confidentiality, the Principal/designee or the District Compliance Officer shall notify the complainant that the request may limit the District's ability to investigate the harassment or take other necessary

action. An intentional breach of the complainant's confidentiality by a student or employee may be considered a violation of this policy or a retaliatory act.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

(cf. 5125 - Student Records)

(cf. 9011 - Disclosure of Confidential/Privileged Information)

Notwithstanding the above, all complaints and responses regarding sufficient textbooks and instructional materials, including English learners; teacher vacancy or misassignment; and school facilities are matters of public record.

Record Keeping

The Superintendent or designee shall maintain records of all UCP complaints, the investigations of those complaints, and the resolution of the complaints in confidential complaint files, to enable the district to monitor, address, and prevent repetitive behavior in district schools.

(cf. 5125 - Student Records)

(cf. 3580 - District Records)

Non-UCP Complaints

The following complaints shall not be subject to the district's UCP, but shall be referred to the specified agency: (5 CCR 4611)

1. Any complaint alleging child abuse or neglect shall be referred to the County Department of Social Services, the County Protective Services Division, and the appropriate law enforcement agency. However, the District may still be obligated to address and investigate any complaint alleging child abuse or neglect of a student by an employee or third party which took place in the educational setting.(cf.5141.4 - Child Abuse Prevention and Reporting)
2. Any complaint alleging health and safety violations by a child development program shall, for licensed facilities, be referred to Department of Social Services and shall, for licensing-exempt facilities, be referred to the appropriate Child Development regional administrator.

4. Any complaint alleging fraud shall be referred to the California Department of Education.
5. In addition, the district's Williams Uniform Complaint Procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, or teacher vacancies and misassignments. (Education Code 35186)

(cf. 1312.4 - Williams Uniform Complaint Procedures)

The district's Williams uniform complaint procedures, AR 1312.4, shall be used to investigate and resolve any complaint related to the following:

1. Sufficiency of textbooks or instructional materials
2. Emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff
3. Teacher vacancies and misassignments
4. Deficiency in the district's provision of instruction and/or services to any student who, by the completion of grade 12, has not passed one or both parts of the high school exit examination (cf. 1312.4 - Williams Uniform Complaint Procedures)

When an allegation that is not the subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The following procedures shall be used to address complaints which allege that the District has violated federal or state laws or regulations governing educational programs, as follows:

Adult Education

Career-Technical Education

Child Development

Consolidated Categorical Aid Programs

Migrant Education

Special Education

Child Nutrition programs

Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4632.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled and when a decision or ruling is made.

Steps for Filing A Complaint on Issues of Educational Programs (see above list)

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance by the District. A complaint may be filed anonymously.

Complaints alleging unlawful discrimination may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination.

The complaint must be initiated no later than six months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination. (5 CCR 4630)

The complaint shall be presented to the compliance officer who shall maintain a log of complaints

received, providing each with a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other disabilities, district staff shall help him/her to file the complaint (5 CCR 4600). When 15 percent or more of the students in the school speak a single primary language other than English, all notices to parents or guardian regarding complaint procedures shall be in the student's primary language in addition to English (Education Code Section 48985; 5 CCR 4620-4652). The fifteen percent shall be determined from the census data submitted to the Department of Education in the preceding year, pursuant to Education Code Section 52164.

Step 2: Interim Measures

After a report or complaint is received, the responsible administrator (Principal or designee and/or the District's compliance officer) shall determine whether interim measures are necessary during and pending the result of an investigation. If interim measures are determined to be necessary, the responsible administrator shall implement reasonable measures to stop, prevent or address the effects of the alleged discrimination, including discriminatory intimidation or retaliation, harassment, or bullying during and pending any information resolution and/or investigation. The interim measures may include such actions as no-contact directives, increased supervision, placing students in separate classes, or transferring a student to a class taught by a different teacher. To the extent possible, interim measures will be implemented in a manner that minimizes the burden on the individual who was the target of the alleged discrimination. Where sexual harassment or sexual violence is alleged, interim measures shall be determined pursuant to AR 5145.7.

Step 3: Mediation

Except in complaints alleging sexual violence and/or sexual harassment, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the District's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR 4631)

Step 4: Investigation of Complaint

The compliance officer shall hold an investigative meeting within ten school days of receiving the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative and the district's representatives shall also have an opportunity to present information relevant to the complaint. Parties to the dispute may discuss the complaint and question each other or each other's witnesses. (5 CCR 4631)

For complaints of sexual harassment or sexual violence, the responsible administrator shall follow the procedures set forth in in AR 5145.7 for investigation of complaints at school and additional procedures related to sexual harassment or sexual violence.

Step 5: Response

Within 60 days of receiving the complaint, the compliance officer shall prepare and send to the complainant and the respondent a written report of the district's investigation and decision (5 CCR 4631), unless the complainant agrees in writing to an extension of time. The decision shall maintain any applicable confidentiality rights of the parties and be issued in consideration of any legal limitations based on such confidentiality.

Step 6: Final Written Decision

A final written decision of the district's decision shall be sent to the complainant and the respondent. The District's decision shall be written in English and in the language of the complainant whenever feasible or required by law. If it is not feasible to write the final in the complainant's primary language, the District shall arrange a meeting at which a community member will interpret it for the complainant. This written decision shall include:

1. The findings and disposition of the complaint, including corrective actions, if any (5 CCR 4631)
2. The rationale for the above disposition (5 CCR 4631)
3. Notice of the complainant's right to appeal the decision within fifteen days to the California Department of Education, and procedures to be followed for initiating such an appeal. (5 CCR 4631)

If an employee is disciplined as a result of the complaint, this written decision shall simply state that effective action was taken and that the employee was informed of district expectations. The written decision shall not give any further information as to the nature of the disciplinary action.

Disciplinary Actions

Student Discipline

The Superintendent or designee may impose student discipline up to and including suspension or expulsion as provided by the California Education Code and Board policy.

Employee Discipline

The Superintendent or designee (or, if the Superintendent is the accused, the Board) may impose employee discipline up to and including unpaid leave and dismissal as provided by the California Education Code and Board policy.

Knowingly False Statements or Accusations

Upon a determination that a report or complaint contained knowingly false statements or accusations, the Superintendent or designee (or, if the Superintendent is the accused, the Board) will decide the appropriate corrective, restorative, or disciplinary action.

Filing a Complaint on Issues of Instructional Materials, Teacher Vacancy or Misassignment, and School Facilities

Step 1: Filing of Complaint

The complaint must first be filed with the principal of the school. A complaint about problems beyond the authority of the school principal shall be forwarded within 10 working days to the Superintendent or designee for resolution. These complaints may be filed anonymously, however, only a complainant who identifies himself/herself is entitled to a response. Additionally, all complaints and responses are public records.

Step 2: Mediation

If the filing of a complaint does not bring about a resolution or if a direct request is received by the State for direct intervention, the State will make a determination whether direct intervention is warranted, and shall conduct an investigation, including an on-site investigation, if necessary. The State will complete its investigation within sixty (60) days after receiving a request.

Appeals to the California Department of Education

If dissatisfied with the District's decision, the complainant may appeal in writing to the California Department of Education within 15 days of receiving the district's decision. For good cause, the Superintendent of Public Instruction may grant an extension for filing appeals. (5 CCR 4652)

When appealing to the California Department of Education, the complainant must specify the reason(s) for appealing the district's decision and must include a copy of the locally filed complaint and the district's decision. (5 CCR 4652)

The California Department of Education may directly intervene in the complaint without waiting for action by the district when one of the conditions listed in 5 CCR 4650 exists. In addition, the California Department of Education may also intervene in those cases where the district has not taken action within 60 calendar days of the date the complaint was filed with the district. (5 CCR 4650)

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies.

The moratorium does not apply to injunctive relief and is applicable only if the District has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.
