School Description

Piedmont Middle School first opened its doors to students in 1977 in Piedmont, a city of about 11,000 residents that is nestled in the hills above the San Francisco Bay Area. Piedmont Middle School is dedicated to providing students with a comprehensive educational program that includes a broad-based core and elective curriculum, an exemplary staff, and an environment that fosters respect and appreciates diversity. Our goal is to maintain a collaborative, educational, community in an environment of mutual trust and support of students, parents, teachers, support staff, and administrators who collaborate in an environment of mutual trust and support. We are committed to providing a comprehensive and rigorous program that is student centered and that encourages students to communicate, to problem solve, and to think independently, creatively, and critically in applying academic and social skills.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Piedmont Unified School District sets a high priority upon ensuring that sufficient textbooks and instructional materials are available to support the school's instructional program. Piedmont Unified School district held a Public Hearing in October 2018 and determined that each school in the District has sufficient and good quality textbooks, instructional materials, and science lab equipment. All students, including English Learners, are given their own individual standard aligned textbooks in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks.

For 2018-2019, all textbooks and instructional materials at Piedmont Middle School were in adequate supply and fair to excellent condition. 100% of students in each core subject area possessed the necessary textbooks and instructional materials, including the deployment of Google Chromebooks for all students.

Piedmont School District follows the State Board of Education's recommended adoption cycle for core content materials. Teachers in the District have the opportunity to review the textbooks and provide feedback. Recommendations for final adoption are submitted to the Board of Education for approval.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18

Math	83.0	84.0	84.0	85.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents and the community are very supportive of the education program at Piedmont Middle School. Numerous programs and activities are enriched by the generous contributions made by the following funding sources: PMS Parents Club, PMS Boosters, CHIME, PRAISE, PAINTS, PADC, PAAC, Piedmont Educational Foundation, and School Parcel Taxes and Bond Measures.

Parents who wish to participate in Piedmont Middle School's leadership teams, school committees, school activities, or become a volunteer may contact the school's office at (510) 594-2660, or visit the school's website at www.piedmont.k12.ca.us/pms.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety of students and staff is the primary concern of Piedmont Middle School. To ensure student safety, supervision is provided on campus at all times. Administrators and counselors supervise and assist students on campus before and after school, during breaks, lunch, and after school. Administrators, Counselors and Teachers monitor students during lunch. Adult visitors to the campus must register at the office; student visitors are not allowed on campus.

The School Site Comprehensive Safety Plan is updated annually by the School Site Council; revisions are immediately reviewed with all staff members. Key elements of the Safety Plan include emergency evacuation procedures, sexual harassment policies, and codes of student behavior. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire and disaster drills are conducted on a monthly basis throughout the school year, and a complete evacuation drill is held every other year.

Professional Development provided for Teachers

PUSD staff members build their knowledge of curriculum and their repertoire of instructional strategies by participating in various types of professional learning: local and national conferences, on and off-site workshops, coaching cycles, and as members of professional learning communities. Prior to the 2016-17 school year, the District offered three staff development days annually where teachers were provided with a range of PD offerings on topics such as Common Core Standards training, differentiation, instructional technology, new math curriculum, and vertical alignment of standards instruction.

Beginning the 2016-17 school year, PUSD instituted a flexible professional development program, which allows all certificated staff to select the professional learning topic and structure that best fit their learning needs. Some examples of professional development selected by Piedmont Middle School teachers are as follows: training in CPM, implementing the NGSS Framework, and the proficiency approach to teaching world languages.

New teachers are assigned a mentor as part of the Teacher Induction Program (TIP) and tenured teachers can be mentored by participating in Teachers Engaged in Active Mentoring (TEAM).
