Millennium High School is located on the Piedmont High School campus and shares many resources with the school. Students at Millennium High School are challenged in small, interactive, non-competitive classes. Instruction is individualized and students work at their own pace to achieve mastery. Many opportunities are provided for experiential learning, self-directed projects, small group discussions, tutorials, community based learning, service learning, interdisciplinary and multiple intelligence instruction, flexible scheduling and personal counseling.

Millennium High School seeks to instill in our students a commitment to RISE, our student learner outcomes of RESPECT: Honor yourself, your commitments and your environment; IMPACT: Recognize your responsibilities with the community; SKILLS: Develop the academic and social abilities to achieve success; ENGAGE: Courageously take ownership of your personal growth and future. We foster a climate where respect for the learning process is upheld by honoring the diversity of learning styles and emotional histories present in our students. We promote academic excellence and personal growth through our dedication to meeting the needs of our students, regardless of each one's level of proficiency. We create opportunities for our students to become active, engaged participants in their school and larger communities.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Piedmont Unified School District sets a high priority upon ensuring that sufficient textbooks and instructional materials are available to support the school's instructional program. Piedmont Unified School district held a Public Hearing on October 14, 2020 and determined that each school in the District has sufficient and good quality textbooks, instructional materials, and science lab equipment. All students, including English Learners, are given their own individual standard aligned textbooks in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks.

For 2020-2021, all textbooks and instructional materials at Millennium High School were in adequate supply and fair to excellent condition. 100% of students in each core subject area possessed the necessary textbooks and instructional materials, including the deployment of Chromebooks for all students for access to online instructional materials.

Piedmont School District follows the State Board of Education's recommended adoption cycle for core content materials. Teachers in the District have the opportunity to review the textbooks and provide feedback. Recommendations for final adoption are submitted to the Board of Education for approval.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Millennium High School is located on the Piedmont High School campus. Piedmont High School was partially modernized in conjunction with the District's Seismic Safety Bond Program. The "30's" building was renovated, but other buildings on the campus, including the building housing MHS, were not deemed a seismic collapse hazard ("10's", "20's", "40's", "Alan Harvey Theater" and "Binks Gym"). They have not been modernized. Priorities for MHS maintenance are roof and Mechanical/HVAC repairs and replacement.

The passage of the H1 Bond in November 2016 has resulted in the design and construction of a new STEAM (Science, Technology, Engineering, Art, and Math) Building at PHS (completed Fall 2020) and new Alan Harvey Theater (expected completion in August 2021).

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### **CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

ELA	36	N/A	87	N/A	50	N/A
Math	18	N/A	87	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-21)

Piedmont Unified School District receives federal funding to support our unique learning community. One of our responsibilities under section 1118 of the Elementary and Secondary Education Act is to support meaningful parent participation. We work to engage parents in regular, two-way, and meaningful communication involving student academic learning and other school activities to insure the following:

- (A) that parents play an integral role in assisting their student's learning
- (B) that parents are encouraged to be actively involved in their student's education at school
- (C) that parents are full partners in their student's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their student
- (D) that we offer a flexible number of parental involvement opportunities so that as many parents as possible are able to attend
- (E) that we will provide materials to help parents work with their student to improve academic achievement as appropriate

At MHS, parents are able to be involved in the monthly School Site Council and the MHS Parent's Club. In 2018, we started parent counseling nights in the spring and an alternative career day in January featuring parents in less traditional careers.

Additionally parents can get involved at:

Piedmont Arts Fund: <https://piedmontartsfund.org/>

CHIME (performing arts): <http://www.piedmont.k12.ca.us/our-community/parent-involvement/#chime>

PRAISE (special education): <http://piedmontpraise.org/>

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2020-2021)

Safety of Students and staff is a primary concern of Millennium High School. To ensure student safety, supervision is provided on campus at all times. Teachers and campus security officers supervise students on campus before and after school, as well as during lunch and break periods. Any visitors to the school must be approved in advance by the Principal.

The School Comprehensive Safety Plan is reviewed each fall by the Millennium High School School Site Council; any revisions are shared immediately with the staff. Key elements of the plan outline emergency evacuation procedures, sexual harassment policies, and codes of student behavior. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. All required forms of emergency drills are conducted on a regular basis throughout the school year.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	4.6	4.2	0.6	0.7	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	.03	.002	.0025
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	6

PUSD staff members build their knowledge of curriculum and their repertoire of instructional strategies by participating in various types of professional learning: local and national conferences, on and off-site workshops, coaching cycles, and as members of professional learning communities. Prior to the 2016-17 school year, the District offered three staff development days annually where teachers were provided with a range of PD offerings on topics such as Common Core Standards training, differentiation, instructional technology, new math curriculum, and vertical alignment of standards instruction.

Beginning the 2016-17 school year, PUSD instituted a flexible professional development program, which allows all certificated staff to select the professional learning topic and structure that best fit their learning needs. The entire Millennium High School formed a professional learning community and did an in-depth study of differentiated instruction as a means of supporting students' learning needs. In 2019-20 and 20-21 all staff engaged in professional development on Executive Functioning through a partnership with Classroom Matters.

In 2020-21, the district continued their flexible professional development program. The district also began work in district-wide learning about social justice standards which all MHS staff participate in. Growing out of this work, MHS staff has engaged in ongoing professional learning with outside consultants around Restorative Justice. This PD has been before and after school. In order to support teachers with Distance Learning due to school closure, there has been extensive synchronous and asynchronous PD for staff on best practices in distance learning. Specific to MHS, there has been ongoing PD for teachers around tools to support literacy and access to text for our struggling readers, in alignment with our school's WASC goals.

New teachers participate in a full day professional development orientation are assigned a mentor as part of the Teacher Induction Program (TIP) or may participate with Teachers Engaged in Active Mentoring (TEAM). Tenured teachers can also participate in coaching by participating in Teachers Engaged in Active Mentoring (TEAM).

### Career Technical Education Programs

There is no CTE program at MHS at this time. Students have access to CTE courses through secondary enrollments at Piedmont High School.

Partnering with the Contra Costa County Office of Education CTE/ROP program, the district offers several Career Technical Education courses, including Biotechnology, Computer Science, Journalism, and Culinary Arts at Piedmont High School. Through enrollment in CTE courses, students demonstrate effective skills in oral and written communication, demonstrate job skills, etiquette and work ethic valued by employers, demonstrate the ability to think critically and creatively about complex issues, and work productively both as individuals as as team members.

Teachers of these courses integrate core academic standards within their curriculum. Work-based learning opportunities such as guest speakers, field trips, and internships are an integral component of each course, which is accessible to all Piedmont High School students. The courses are evaluated annually through classroom observations, reports, and surveys.

PHS Principal Adam Littlefield and Director of Instructional Technology Stephanie Griffin serve as the lead representatives of the CTE Advisory Committee. The Advisory Committee consists of representatives from a variety of technology-related industries. CTE will play an integral role in the development of programs recommended for development in the new STEAM building (completed 2020)

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
