2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Millennium High School is an alternative high school located in Piedmont, a city of about 10,000 residents located in the hills above the San Francisco Bay Area. Millennium High School is located on the Piedmont High School campus and shares many resources with the school. Students at Millennium High School are challenged in small, interactive, non-competitive classes. Instruction is individualized and students work at their own pace to achieve mastery. Many opportunities are provided for experiential learning, self-directed projects, small group discussions, tutorials, community based learning, service learning, interdisciplinary and multiple intelligence instruction, flexible scheduling and personal counseling.

Millennium High School seeks to instill in our students a commitment to RISE, our student learner outcomes of RESPECT: Honor yourself, your commitments and your environment; IMPACT: Recognize your responsibilities with the community; SKILLS: Develop the academic and social abilities to achieve success; ENGAGE: Courageously take ownership of your personal growth and future. We are committed to supporting each student's personal and academic goals in an emotionally as well as physically safe environment. Students are recognized for and supported to develop strengths and talents unique to them as individuals as well as challenged to expand their areas of competence and comfort. We foster a climate where respect for the learning process is upheld by honoring the diversity of learning styles and emotional histories present in our students. We promote academic excellence and personal growth through our dedication to meeting the needs of our students, regardless of each one's level of proficiency. We create opportunities for our students to become active, engaged participants in their school and larger communities.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Piedmont Unified School District sets a high priority upon ensuring that sufficient textbooks and instructional materials are available to support the school's instructional program. Piedmont Unified School district held a Public Hearing on October 14, 2020 and determined that each school in the District has sufficient and good quality textbooks, instructional materials, and science lab equipment. All students, including English Learners, are given their own individual standard aligned textbooks in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks.

For 2021-2022, all textbooks and instructional materials at Millennium High School were in adequate supply and fair to excellent condition. 100% of students in each core subject area possessed the necessary textbooks and instructional materials, including the deployment of Chromebooks for all students for access to online instructional materials.

Piedmont School District follows the State Board of Education's recommended adoption cycle for core content materials. Teachers in the District have the opportunity to review the textbooks and provide feedback. Recommendations for final adoption are submitted to the Board of Education for approval.

Science lab equipment includes, but is not limited to: microscopes, ring stands, clamps, support strings, utility clamps, test tubes, test tube holders, test tube brushes, crucible tongs, flasks, beakers, and Bunsen burners. In Distance Learning, teachers have supplemented with online lab tools and have distributed lab materials to students for home use.	Yes	0

School Facility Conditions and Planned Improvements

Millennium High School is located on the Piedmont High School campus. Piedmont High School was partially modernized in conjunction with the District's Seismic Safety Bond Program. The "30's" building was renovated, but other buildings on the campus, including the building housing MHS, were not deemed a seismic collapse hazard ("10's", "20's", "40's", "Alan Harvey Theater" and "Binks Gym"). They have not been modernized. Priorities for MHS maintenance are roof and Mechanical/HVAC repairs and replacement.

The passage of the H1 Bond in November 2016 has resulted in the design and construction of a new STEAM (Science, Technology, Engineering, Art, and Math) Building at PHS (completed Fall 2020) and new Alan Harvey Theater (expected completion in February 2022).

The school is rated in "good" overall condition by the Facility Inspection Tool.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

2020-21 Career Technical Education Programs

There is no CTE program at MHS at this time. Students have access to CTE courses through secondary enrollments at Piedmont High School.

Partnering with the Contra Costa County Office of Education CTE/ROP program, the district offers several Career Technical Education courses, including Biotechnology, Computer Science, Journalism, and Culinary Arts at Piedmont High School. Through enrollment in CTE courses, students demonstrate effective skills in oral and written communication, demonstrate job skills, etiquette and work ethic valued by employers, demonstrate the ability to think critically and creatively about complex issues, and work productively both as individuals as as team members.

Teachers of these courses integrate core academic standards within their curriculum. Work-based learning opportunities such as guest speakers, field trips, and internships are an integral component of each course, which is accessible to all Piedmont High School students. The courses are evaluated annually through classroom observations, reports, and surveys.

PHS Principal Adam Littlefield and Director of Instructional Technology Stephanie Griffin serve as the lead representatives of the CTE Advisory Committee. The Advisory Committee consists of representatives from a variety of technology-related industries. CTE will play an integral role in the development of programs recommended for development in the new STEAM building (completed 2020)

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Piedmont Unified School District receives federal funding to support our unique learning community. One of our responsibilities under section 1118 of the Elementary and Secondary Education Act is to support meaningful parent participation. We work to engage parents in regular, two-way, and meaningful communication involving student academic learning and other school

2021-22 Opportunities for Parental Involvement

activities to insure the following:

- (A) that parents play an integral role in assisting their student's learning
- (B) that parents are encouraged to be actively involved in their student's education at school
- (C) that parents are full partners in their student's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their student
- (D) that we offer a flexible number of parental involvement opportunities so that as many parents as possible are able to attend
- (E) that we will provide materials to help parents work with their student to improve academic achievement as appropriate

At MHS, parents are able to be involved in the monthly School Site Council and the MHS Parent's Club. In 2021-22, The Parents Club has focused not only on fundraising and supporting the school but also as a parent support group with regular social events and guest speakers such as the Wellness Center intern to discuss how to support struggling teens. Reach out to millenniumparentsclub@gmail.com for more information n the MHS Parent's Club!

In 2018, we started parent counseling nights in the spring and an alternative career day in January featuring parents in less traditional careers.

Additionally parents can get involved at:

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Safety of Students and staff is a primary concern of Millennium High School. To ensure student safety, supervision is provided on campus at all times. Teachers and campus security officers supervise students on campus before and after school, as well as during lunch and break periods. Any visitors to the school must be approved in advance by the Principal.

The School Comprehensive Safety Plan is reviewed each fall by the Millennium High School School Site Council; any revisions are shared immediately with the staff. Key elements of the plan outline emergency evacuation procedures, sexual harassment policies, and codes of student behavior. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. All required forms of emergency drills are conducted on a regular basis throughout the school year. Active Shooter training was provided to staff on January 4, 2022.

Professional Development

PUSD staff members build their knowledge of curriculum and their repertoire of instructional strategies by participating in various types of professional learning: local and national conferences, on and off-site workshops, coaching cycles, and as members of professional learning communities. Prior to the 2016-17 school year, the District offered three staff development days annually where teachers were provided with a range of PD offerings on topics such as Common Core Standards training, differentiation, instructional technology, new math curriculum, and vertical alignment of standards instruction.

Beginning the 2016-17 school year, PUSD instituted a flexible professional development program, which allows all certificated staff to select the professional learning topic and structure that best fit their learning needs. The entire Millennium High School formed a professional learning community and did an in-depth study of differentiated instruction as a means of supporting students' learning needs. In 2020-21 and 21-22 all staff engaged in professional development on Executive Functioning through a partnership with Classroom Matters.

In 2021-22, the district continued their flexible professional development program. The district also deepened its work around anti-racist education. Growing out of this work, MHS staff has engaged in ongoing professional learning with outside consultants around Restorative Justice and writing our own racial autobiographies. This PD has been before and after school. At MHS, there has also been ongoing PD for teachers around tools to support literacy and access to text for our struggling readers, in alignment with our school's WASC goals as well as learning more about trauma-informed practices, in response to the student needs during the pandemic.

New teachers participate in a full day professional development orientation are assigned a mentor as part of the Teacher Induction Program (TIP) or may participate with Teachers Engaged in Active Mentoring (TEAM). Tenured teachers can also participate in coaching by participating in Teachers Engaged in Active Mentoring (TEAM).

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
